- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:30 pm **Rome's Invisible City** - With exclusive access deep beneath Rome's streets and stunning new visualisation techniques, classicist Dr Michael Scott leads a team of experts to reveal the full story of the ancient world's most awe-inspiring city and the extraordinary people who created and lived in it. Rome's spectacular skyline is as breathtaking today as when it was built. But that iconic city-scape is only half the story. There is another Rome that few people have ever seen. From huge underground quarries, subterranean aqueducts, vast water cisterns to ornate temple and tombs and the elaborate lifts, trap doors and mechanics beneath the Coliseum, this documentary reveals for the first time the buried story of the ingenious Romans and how they planned, created and lived in their captivating city more than two millennia ago. (From the UK) (Documentary) (Rpt) G CC
- 8:30 pm **DNA Nation** - Julia and Ian journey to Israel and discover the percentage of Neanderthal DNA they each carry. Ernie's DNA reveals an ancient connection to the people of India. He makes his way south to the remote rural village of Isko, home to the Munda people, and discovers the deep and surprising links he has with this Indian tribe. Meanwhile in Australia, the unique genetic census of everyday Australians continues and DNA results reveal that identity really is more than skin deep. (Part 2 of 3) (From Australia) (Commissioned by SBS) (Documentary Series) CC **\*\*New Episode\*\***
- 9:30 pm **Uranium: Twisting The Dragon's Tail** - The Rock that Changed the World - In Northern Australia the indigenous people have ancient stories for the place where the uranium is found. They say a great creation spirit sleeps underground, and disturbing this spirit will unleash disaster. Dr Derek Muller takes us on a remarkable journey to see how from the ashes of Hiroshima, uranium promised a new age. The same power that destroyed the city will be harnessed to generate limitless energy and treat cancer. We had tickled the nuclear dragon, woken the spirit beneath the Earth, and disaster was waiting. (From Australia) (Documentary Series) (Part 2 of 3) (Rpt) PG(A) CC

- MOVIE:**
- 2:00 am **Eyes Wide Open** - Aaron, a married Orthodox Jewish father of four, falls in love with a homeless young yeshiva student named Ezri. Their relationship becomes emotional and sexual. Living in an ultra-Orthodox community, Aaron is torn between his family, his devotion to God and the intense feeling he has for Ezri. Directed by Haim Tabakman and stars Zohar Strauss, Ran Danker and Tzahi Grad. (From Israel, in Hebrew and Yiddish) (Drama) (2009) (Rpt) M(A,N,S)
- 3:45 am **Desperately Seeking Doctors** - More than half way through Dr Mary Fortune's secondment, an Australian general election is called. Dr Mary hopes this could lead to a new dawn in indigenous health funding but the signs aren't good. As her time in Kununurra continues, Dr Mary becomes aware of the prominent role alcohol plays in her patient's lives. With a rising tide of alcohol-related illness and violence, and dwindling resources, Dr Mary finds out how hard it can be just to get one man a place in rehab. (Commissioned by SBS) (Documentary Series) (Part 2 of 2) (Rpt) PG CC
- 4:50 am **Voice Over** - Narrator and co-writer Féodor Atkine jumps from one extreme survival situation to another, apparently confused about the story he is trying to tell. He switches between telling the actor that he is a stranded astronaut running out of oxygen, to a fisherman who has gone down in his boat. No - the actor is a young boy who has just had his first kiss, with a girl at the local swimming pool. All at once, the astronaut disposes of a creature that has wormed its way into his spacesuit, reaches his spacecraft, and connects with his oxygen; the sapper blows up the railway line; and the fisherman returns to the surface.
