ALL MARKETS REJOIN

- 5:30 pm **Motor Sport: Dakar Rally 2017** - Coverage of the Dakar Rally 2017. This year will see the addition of Paraguay, the 29th country in its history. Australian winner of the 2016 Motorbike Class, Toby Price, will seek to defend his title. (Sport) (Motor Sports) CC
- 6:00 pm **Air Crash Detectives** - Bakers Creek, Australia, 14th June, 1943. For the men about to board "Miss Every Morning Fixin", the pressures of the War had been eased by a period of rest and relaxation in Queensland, but they were about to return to war operations in Port Moresby, Papua New Guinea. They were never to return. Shortly after take-off the aircraft plunged into the ground killing everyone aboard - apart from one survivor, who would spend the rest of his life coping with the injuries he received that day. This accident is still Australia's worst ever plane crash and yet it was hushed up by the Australian and US governments until after the war had ended, with the relatives being told that those on board had perished in a crash over the South Pacific. (From the UK) (Documentary) (Rpt) PG CC
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:35 pm **King Tut's Tomb: The Hidden Chamber** - The Mounds of Cahokia dwarf the pyramids of Giza, but who built them and how? A discovery of a mass grave of female virgins could hold the answer. In 1922, Howard Carter made a great discovery in the history of archaeology: the tomb of Tutankhamun. Now, in the most fascinating tomb from Ancient Egypt, an ever greater discovery is about to be made: possible secret doorways in his tomb. Queen Nefertiti could lie in a hidden chamber behind these walls. (From the UK) (Documentary) (Rpt) G CC
- 8:30 pm **President Trump** - Who is Donald Trump? From his early childhood in Queens, where his father taught him to be "a killer," to his triumphs and failures as a flamboyant real estate baron, casino owner and reality television star, Trump developed the character and personality that he would put before voters as an unorthodox presidential candidate. With new reporting and interviews combined with sections of the acclaimed film, 'The Choice 2016', Frontline reveals the man who will now bring those qualities to the White House. (From the US) (Documentary) (Class. Tba) CC ****Premiere****
- 9:35 pm **15 Years Of Terror** - On September 11, 2001 an unimaginable horror unfolded that devastated the United States and the rest of the world. Fifteen years later we are still gripped by terror, but it has transformed. Attacks have been coming fast and furious, but they are no longer commanded by a central entity. This is terrorism in the age of the Internet: crowd-sourced violence. This gripping documentary investigates the psychology of terrorists & examines how radical organisations use modern propaganda & social media to cultivate an army of self-radicalised killers. '15 Years of Terror' goes inside the minds of this new breed of terrorist to define the new techniques and technologies that can be utilised to help law enforcement cope with this elusive threat and to figure out how psychology and technology can be leveraged to end this dreadful cycle of terror. (From the US) (Documentary) (Class. tba) CC ****Premiere****

- 10:40 pm **Inside CERN** - With exclusive behind-the-scenes access, BBC's Horizon follows the highs and lows of an extraordinary story in particle physics. In June 2015, teams at CERN started running the Large Hadron Collider at the highest energy ever. Rumours quickly emerged that they were on the brink of a huge discovery. A mysterious bump in some data suggested a first glimpse of a brand new particle that could change our understanding of how the universe works. A new particle could hint at extra dimensions and help us understand the very beginning of the universe - but first, the team has to find it. Follow the scientists as they hunt for the elusive signals that would prove if there is a new particle or if it's just noise from their machine. (From the UK) (Documentary) (Class. tba) CC ****Premiere****
- 11:40 pm **Battle Of The Sexes** - One man. One woman. One hell of a tennis match. In 1973 Billie Jean King played former Grand Slam Champion, and self-proclaimed male chauvinist pig, Bobby Riggs in the most watched tennis match in history. On learning that her male counterparts were paid greater prize money for matches, King singlehandedly spearheaded a campaign to form the Women's Tennis Association demanding equal pay for play. Incorporating rich archival footage alongside interviews with tennis players past and present, Erskine and Hayes never lose sight of the main subject - crafting King's story with a great deal of verve and suspense. (From the US) (Documentary) (Rpt) PG(A) CC
- MOVIE:**
- 1:10 am **Hidden Diary** - Pregnant and living in Canada, Audrey visits her parents in the small French town of her birth. Dr Chris van Tulleken teams up with Nottingham University to see whether high intensity exercise is as good for us as is claimed, guest presenter Dr Zoe Williams gets a group of volunteers to help put some home fitness monitors to the test and Michael Mosley investigates whether acupuncture really does have a scientific basis. Meanwhile, surgeon Gabriel Weston travels to the former Soviet Union to see a technology devised behind the iron curtain which could solve the problem of antibiotic resistance in the West, and Dr Saleyha Ahsan outlines the new guidelines on concussion: how can we tell whether a bang on the head is serious enough to go to a doctor? (S.5 Ep.2) (From the UK) (Documentary Series) (Class. tba) CC ****New Episode****
- 8:30 pm **Simon Reeve's Caribbean** - The second leg of Simon Reeve's journey around the Caribbean Sea takes him from the beautiful Islands and along the coast of South America. On the beautiful and wealthy Island of Barbados he meets the owner of a traditional chattel house who has turned down offers of millions of dollars from luxury property developers. On the green volcanic slopes of St Vincent Simon meets the marijuana growers hoping, like their Prime Minister, that the drug will soon be decriminalised. Venezuela is one of the most turbulent countries in the Caribbean and from a high rise slum in Caracas to the lawless border lands, Simon tries to work out how a country so rich in oil has fallen so low. Ending his epic journey in Colombia, Simon gains rare access to the Kogi - an indigenous people who have maintained their traditional forest life style in the face of an encroaching and damaging modern world. - 7:30 pm **Riding Britain's Railways - Tunnel Revolution** - Host Dan Cruickshank follows the work of Isambard Kingdom Brunel, the brilliant engineer of great originality who designed the Great Western Railway and the first transatlantic steamer. The magnificent steam locomotives of the Great Western Railway were a combination of elegance and raw power. Brunel dreamed of a fast, luxury, long-distance line and built stations to suit his enterprise, transforming the experience of railway travel. And the Great Western Railway was just part of Brunel's steam-driven revolution. His passengers could travel all the way to America: from London to Bristol by train and then across the Atlantic by the largest steamship in the world. The construction of the Great Western Railway between Bristol and London was inspired by Brunel's vision to bring speed and comfort to the experience of travel.
