(From the UK) (Factual Entertainment) (Rpt) G CC
- 5:30 pm **Nazi Megastructures - U-Boat Base** - To create a safe haven in port for their lethal U-boat submarines, the Nazis built massive, impenetrable concrete submarine pens. Structures too immense to be hidden, they were constructed to withstand direct hits from even the biggest Allied bombs. Such was their size and strength that these pens still survive today, a testament to their engineering. (Part 2 of 6) (From the US) (Documentary) G CC ****New Episode****
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:30 pm **Jungle Atlantis: Angkor Wat's Hidden Megacity** - Death Of Angkor Wat's Megacity - Buried in the Cambodian jungle lie the lost remains of the great medieval city of Angkor - once the capital of one of the world's greatest civilisations. Today, only the great stone temples like Angkor Wat survive. But Angkor was once a teeming metropolis, full of life - the biggest city on Earth. Now, a team of archaeologists are using a revolutionary technology called lidar to reveal the true scale and splendour of this abandoned megacity. Deep in the jungle, they have discovered a sophisticated network of roads and canals - the forgotten world of Angkor's greatest ever king. Their groundbreaking new work explains why the world's greatest medieval metropolis was abandoned to the jungle. (Part 2 of 2) (From the UK) (Documentary) G CC ****Final****
- 8:30 pm **Erebus: Air Crash Antarctica** - On 28 November 1979, an Air New Zealand jet with 257 passengers went missing during a sightseeing tour over Antarctica. Eleven police officers were called to duty to face the formidable Mount Erebus. As they recovered the victims, an investigation team tried to uncover the mystery of how a jet could fly into a mountain in broad daylight. Did the airline have a secret it wanted to bury? This documentary tells the story of four officers who went to Antarctica as part of the recovery police operation. For the first time an Air New Zealand senior staff member provides the inside story of the airline that was accused of one of the largest corporate cover-ups in New Zealand's history. Set in the beautiful yet hostile environment of Antarctica, this is an emotional and compelling true story. (From New Zealand) (Documentary) M(A,L) CC ****Premiere****

- 1:45 am **Afghanistan: The Great Game** - One of the most isolated and barren landscapes on the planet, Afghanistan is a strange place for an empire or superpower to invade. But for three of the greatest powers the world has seen, it became an unlikely target, an enduring obsession and an unwinnable war. Rory Stewart, a former charity worker in Kabul, tells the history of two centuries of foreign intervention in Afghanistan. He looks at how this history has forged the Afghanistan of today, and asks what it is about this place that has created this repeated aggression and tragedy. (From the UK) (Documentary) (Part 1 of 2) (Rpt) PG CC
- 2:50 am **Secret History Of Our Streets - Camberwell Grove** - Bordered by Brixton in one direction and Peckham in another Camberwell is very much the inner city yet at its heart lies the Grove; a broad, tree-lined street made up of some of the finest Georgian architecture in London. This documentary reveals how the elegant houses of the Grove were built in the late 18th and early 19th centuries as rural retreats for a newly termed group, the middle classes. But the unprecedented expansion of London in the Victorian era meant the city engulfed the Grove. (From the UK) (Documentary Series) (Rpt) PG CC
- 3:50 am **Russia: A Journey With Jonathan Dimbleby - Motherland** - As his journey across Russia continues, Jonathan is led to consider why the celebration of military history has become such an important part of Soviet culture. Following the course of the River Volga, Jonathan encounters an abandoned prison for political dissidents of the socialist era, and visits the city of Samara, where the May 9 Victory Day festivities double as annual army conscription drives. His final stop is in the Ural Mountains, the boundary between Europe and Asia. (From the UK, in English and Russian) (Documentary Series) (Part 3 of 5) (Rpt) PG CC

- 7:30 pm **Which Universe Are We In?** - Cosmologists are daring to think the unthinkable. The universe as we know it doesn't exist. We are just one miniscule part of a much bigger picture - a multiverse of infinite proportions. Once considered the domain of extreme scientists, new evidence from all areas of physics now suggests that the multiverse is a real possibility. This visually stunning documentary travels through four very different visions of the multiverse. Get ready to leave your pre-conceived notions of reality at the door and open your minds to whole new worlds of possibility. (From the UK) (Documentary) G CC ****Premiere****
- 8:30 pm **Worst Place To Be A Pilot** - Deep in the mountainous heartland of Papua, solo Captain Matt Dearden finds the strip enveloped in mist making it incredibly tricky to pick a route through the valley. On landing he has to deal with an argument on the runway between local tribes people. Captain Danie Malan is put to the test as he tries to graduate to the trickiest mountain strips in Indonesia. While Captain Robin Rudderham is also looking to make the move up and experiences the threats that come with flying the busiest route in Papua - the super highway. With planes flying dangerously close to one another and often no radar to warn them of their position pilots here have to remain on red alert for the threat of a mid-air collision. (Part 4 of 4) (From the UK) (Documentary) PG CC ****Final****
- 9:30 pm **Uncle - Nephew** - While Sam's away on a tree-hugging retreat, Andy and Errol are offered the opportunity of a lifetime; to sign with Rage Records and infamous music producer, Mo Kahn (Keyvan Novak). Little does Andy know Mo's only interested in the kid and Errol hasn't worked out how to break the bad news.
