By the start of the war it has power with politics, police and security and is responsible for the creation of the concentration camps that will become the sites of the worst atrocities the world has ever seen. Its power, influence and terror spread with the creation of a military wing, the Waffen SS. 2019-08-24	1930	History	Inside North Korea's Dynasty	New Series Premiere	Kingdom Of The Kims		01	1	For decades, Korea and its people laboured under Japanese imperialist rule. Recounted through firsthand testimony and expertly curated archive, this episode explores Sung's early days in power, how he starts the Korean War, establishes gulags for anyone who could be 'hostile', tries to assassinate the President of South Korea, and plays a dangerous game of brinkmanship with the United States, including capturing a U.S. Navy ship - the USS Pueblo - taking American sailors prisoner, and the infamous tree-cutting axe murders in the Demilitarized Zone.
