2023-01-03	1930	Biography	Who Do You Think You Are? Sarah Jessica Parker	New Series Premiere Sarah Jessica Parker	01	1	Sarah Jessica has always assumed that her ancestors were recent immigrants to the United States. She knew that her mother was born and raised in Cincinnati's German community, like her parents and grandparents before her, but didn't know much more than that. However, a visit to her mother reveals a distinctly non-German sounding ancestor - Lillian Hodge. Intrigued by this, Sarah Jessica heads to Cincinnati, where she discovers her ancestor, John Hodge died on a journey to California in 1849. Wanting to know more, Sarah Jessica travels to the gold fields of northern California. Digging further back, her journey takes her to Colonial New England where she uncovers a collection of 17th Century trial papers, revealing that another ancestor was involved in one of the most terrifying events in American history. From veteran Frontline filmmaker Michael Kirk and his award-winning team, Lies, Politics And Democracy is an examination of the profound and mounting threats to American democracy, as it tracks major political decisions made in the United States over the past seven years, and lays bare the deep fissures that resulted. The documentary presents startling new details from GOP insiders on how the indulgence of Trump's authoritarian impulses and embrace of his rhetoric enabled his power over the American political system, leading the nation to this precarious moment. Told in part through the perspectives of key Republican players and party leaders, the two-hour special provides first-person accounts from those who sounded	USA	English-100	2022					Y
