2021-06-13	1735	History	How The Nazis Lost The War	New Episode Enemy Within, The	01	3	A God complex rarely ends well and for the Nazi's this delusion would ensure their defeat. 2021-06-13	2115	History	Batavia Revealed: Shipwreck Psycho		Batavia Revealed		0	Batavia Revealed: Shipwreck Psycho explores the bloody truth behind Australia's worst mass murder, investigating the horrifying tale of one of the world's most terrifying and gruesome shipwreck stories of all time. In 1629, the pride of the Dutch fleet was on its way to the East Indies when it hit a coral reef off the coast of Australia and sank. Some of the 300 passengers and crew drowned but most managed to swim to the nearby cluster of uninhabited islands. For the survivors, it was the equivalent of crash landing on the moon. They were stranded thousands of kilometres from any known civilisation, on alien land with little hope of rescue. The survivors probably thought their situation couldn't get any worse. In fact, their nightmare was just beginning.	AUSTRALIA	English-100	2017	RPT	M	a v	Y	Y	Y	
2021-06-13	2215	History	A Modern Mutiny: Untold Australia		Modern Mutiny, A		0	Norfolk Island is 5 miles long by 3 miles wide; or, as some would say of this close-knit community, 5 minutes long and 3 minutes wide when it comes to gossip. As one of Australia's most remote external territories, and with a local population descended from the legendary Bounty mutineers, it's no surprise they have their own way of doing things. With their own language, a blend of old seafaring English and Tahitian, and their own system of government, many don't see themselves as Australian - that it says so on their passport is merely 'a technicality'. But recent hard times have forced the island to reach out to Australia for help, and with mainland help comes mainland rules.	AUSTRALIA	English-100	2016	RPT	PG		Y	Y	Y
