2019-07-07	1930	Archaeology	Scotland: Rome's Final Frontier		Scotland: Rome's Final Frontier		0	The incredible story of how Scotland became the Roman Empire's toughest military challenge. At the height of its power, Rome boasted the domination of millions of people and vast tracts of lands as far east as Syria, Egypt in the south, Spain in the west and the Germanic wildernesses in the north. In 43AD Emperor Claudius' forces invaded and conquered Britain, but there was one small part of these barbarian lands that wasn't so easy to crush. Through some of Scotland's most extraordinary Roman sites and illuminating new archaeology, historian Dr Fraser Hunter shows how Scotland and its people defied an onslaught of Roman imperial power for over a century. 2019-07-10	1400	Culture & Society	First Contact		First Contact Series 2 Ep 3	02	3	In this final episode of First Contact season two, the group finds themselves at the West Kimberley Regional Prison to experience what life is like in an Aboriginal prison. As night falls, they have a decision to make. A cell is available. Who in the group will take up the offering of joining the 10,000 Indigenous people locked up every night in Australia? In the morning, the group heads due east to the tiny town of Coen in far north Queensland, one of four communities to be part of a radical welfare reform experiment. They experience a controversial teaching technique that aims to close the education gap and get Aboriginal kids reading, writing and ultimately into work to escape the cycle of welfare dependency, and debate and opinions are stirred up again.
