2020-07-12	1730	History	True Evil: The Making Of A Nazi		01	6	Hermann Goering's story is that of Germany's military-aristocratic elite, who turned to the Nazis for salvation. The status and fortunes of Germany's aristocracy were based on land, but by the early decades of the 20th Century, a new Germany emerged - an industrial and commercial Germany, in which the old nobility struggled to find a role and saw their incomes decline. Goering's family is part of Germany's old Imperial elite.	UNITED KINGDOM	English-100	0	RPT	PG	a	Y

2020-07-12	1930	Archaeology	Great Wall Of China: The Hidden Story		Great Wall Of China: The Hidden Story, The	00	0	The Great Wall is the spectacular historic embodiment of China stretching thousands of miles across barren deserts and treacherous mountains before finally plunging into the sea, all to defend the nation from the rest of the world. The Great Wall, the symbol of China itself, has been the focus of much of this remarkable archaeological activity. As new discoveries on the Great Wall are revealed, our understanding of this amazing structure and its origins, functions and significance - both as a political border, a statement of power and a military defence line - continues to grow. 2020-07-12	2030	History	Saving Notre Dame	Premiere	Saving Notre Dame		0	After the dramatic fire that ravaged Notre-Dame de Paris on 15 April 2019, the cathedral is still standing, but the building's overall stability has been weakened. Archaeologists are poring over each piece of charred debris to learn more about the building's structure, while rope access technicians, stonemasons and carpenters, under the supervision of the chief architect for Notre-Dame, work tirelessly to shore up the remaining structure before it is too late. This documentary special was produced in the immediate aftermath of the Notre-Dame de Paris' fire tragedy. With special access on-site, we are embedded with all the highly skilled craftsmen qualified with the experience needed to prevent the cathedral from collapsing. It captures unique human stories and bears witness to the progress and challenges of this once in a life time mission.	FRANCE	English-50; French-50	2020		PG	a n	Y	
2020-07-12	2130	Health, Science & Technology	Toxic Town: The Corby Poisoning	Premiere	Toxic Town: The Corby Poisoning		0	This is the untold story of Britain's worst foetal poisoning scandal since Thalidomide, when a group of ordinary mothers took on the 'establishment' and won. Set in a post-industrial Northamptonshire town, the Corby Litigation Case was a landmark case with worldwide legal and medical ramifications - the first time ever that a court has recognised a link between airborne toxins and foetal development damage. At the heart of the story is a group of young mothers with children with hand and feet deformities fighting hard for answers, a ruthless local council, and tenacious human rights lawyer who took on a near-impossible ten-year battle. It is an astonishing fight for justice story often referred to as the 'British Erin Brockovich case'.	UNITED KINGDOM	English-100	2020		PG	a	Y
