2020-08-02	1555	Sport	Fair Game	Fair Game		0	Heritier Lumumba, formerly known as Harry O'Brien, was in the middle of his best season of AFL when his club president, Eddie McGuire, made a racist on-air comment, suggesting that Sydney Swans player Adam Goodes could be used to promote a King Kong musical. What followed was a media storm and an on-air showdown with McGuire which painted Lumumba as an overly PC, hyper-sensitive villain. Through exclusive access to Lumumba, his friends and family, AFL legends Mick Malthouse, former Collingwood Captain Nick Maxwell and sports journalists, Fair Game uncovers the personal and professional journey of a man who at the top of his game, dared to hold a mirror to a nation that didn't like what it saw. Now President Trump says the NHS is on the table in any future trade deal with America. 2020-08-05	1400	History	The Secret Life of Henry VIII		The Secret Life of Henry VIII			One of Tracy's favourite subjects is the roller-coaster private life of England's most famous King. The royal palace at Hampton Court and the Tower of London loom large in her exploration of a man who was a good deal more complex than his popular image suggests. For one thing, it turns out that Henry was a bit of a prude, who was pretty shocked by the worldliness of Anne Boleyn; he also had decent table manners, contrary to his roistering image. Tracy reveals the day to day life of the king and how it had to be adapted to accommodate his ever-increasing weight.	UNITED KINGDOM	English-100	2017	RPT	M	a s	Y

2020-08-07	2030	Biography	Walt Disney		Walt Disney Series 1 Ep 2	01	2	Walt Disney - never has a person held such a commanding place in American life. Yet as familiar as his work was to young and old alike, Disney himself was something of an enigma. To his fierce defenders, Disney was a visionary artist and entrepreneur who had changed American popular culture for the better, grounding it once again in a spirit of hopeful promise and shared values. To his detractors, Disney represented everything that was wrong with American culture, from its saccharine sentimentality and simplification of history to its redirection of our attention from reality to fantasy. His life and legacy are unravelled in this intimate biography.	USA	English-100	2015	RPT	PG				Y

She examines his relationship with his mother, fondness for debauchery and how casual violence and murder began to destabilise what had once been touted as a new 'Golden Age' for Rome. 2020-08-07	2635	History	Eight Days That Made Rome	Rebirth Of Rome, The	01	8	Historian Bettany Hughes recalls the time that marked Rome's symbolic break with its 1,000-year pagan past - the day in 337AD that Emperor Constantine the Great was baptised a Christian. It was a moment of profound significance not just for the empire, but for the history of the world and one of its major religions. Constantine was one of the last great Roman emperors to rule over a united empire, giving it a new capital - Constantinople, today known as Istanbul - a city which would one day eclipse Rome as the greatest city on Earth.
