- 5:30 pm **Hitler's People - Conformity** - Taking a look behind the scenes of the German Reich, this two-part series sheds light on the almost incredible loyalty and support Hitler commanded among the German public. The compelling narrative provides insights into everyday life from the beginning of his regime to the end. It's an intimate and revealing portrait of the German people under Hitler. (From Germany, in English and German) (Documentary Series) (Part 1 of 2) (Class tba) CC **\*\*New Series\*\***
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:35 pm **Secrets of the Colosseum** - The Colosseum is one of the most iconic buildings of the ancient world and it stands as a monument to Roman imperial power and cruelty. The spectacles staged here involved the killing of tens of thousands of gladiators, prisoners, and wild animals. Records of these games brag of seemingly impossible acts - beasts magically appearing on stage and water flash-flooding the arena so that full-sized ships could engage in sea battles. Were the Romans exaggerating or did they truly achieve these feats? Until now, experts have been dubious - but what if these aren't tall tales? Now, a team of modern builders and engineers test their theories by building a trap door-pulley system capable of lifting a beast into the Colosseum. Do they have what it takes to replicate the innovation and ingenuity of the Romans? (From the US) (Documentary) PG CC **\*\*Premiere\*\***
- 8:35 pm **Uranium: Twisting the Dragon's Tail** - Australian-born physicist Dr Derek Muller unleashes a historian's passion for detail and a physicist's understanding of science to tell the incredible story of the rock that shaped the modern world. From its creation in an exploding star before Earth existed, to its deployment in nuclear weapons, nuclear power and nuclear medicine, this three-part series reveals how, in a single generation, uranium went from something virtually unknown to becoming the most desirable and terrifying rock on Earth. (From Australia) (Documentary Series) (Part 1 of 3) PG(A) CC **\*\*New series Premiere\*\***
- 9:40 pm **The Bomb** - Using masterfully restored footage from recently declassified images, *The Bomb* tells a powerful story of the most destructive invention in human history. From the earliest testing stages to its use as the ultimate chess piece in global politics, the program outlines how America developed the bomb, how it changed the world and how it continues to loom large in our lives. The show also includes interviews with prominent historians and government insiders, along with men and women who helped build the weapon piece by piece. (From the US) (Documentary) (Class tba) CC **\*\*Premiere\*\***
- 11:45 pm **Movie: Max Manus** - The true story about one of the most brilliant saboteurs during World War Two and his battle to overcome his inner demons. (From the UK) (Documentary Series) (Rpt) G CC

## Monday August 10th, 2015

- 5:00 pm **David Rocco's Amalfi Getaway - Pesce** - Amalfi's rugged coastline facing the open sea has always made it easier to fish than to farm. Because of this, the Amalfitani make some of the most delicious seafood dishes in the world. Chef David Rocco kicks off his pursuit of local seafood at one of the tastiest beachside restaurants in Amalfi, where head cook Catarina prepares her signature anchovy and mussel recipes. David later travels out to sea with local fishermen, catching fresh shrimp and octopus for a dinner cooked right on the boat! (S.1,Ep.2) (From Canada, in English) (Food Series) G CC **\*\*New Episode\*\***
- 5:30 pm **Letters and Numbers** - Two contestants pit their linguistic and numerical skills against each other and the clock in this entertaining quiz show. Join host Richard Morecroft along with maths whiz Lily Serna and wordsmith David Astle. (Commissioned by SBS) (Entertainment Series) (Rpt) G CC
- 6:00 pm **Nigella Bites - Legacy** - Nigella Lawson lovingly recreates the flavours of her childhood, using recipes handed down to her from her mother and grandmother, including Italian sausages with lentils, bread and butter pudding and a revival of Liptauer cheese spread. (S.2,Ep.6) (From the UK) (Food Series) G CC **\*\*New Episode**

- 7:30 pm **Why Are Thin People Not Fat?** - More people are now at risk from obesity than starvation. Our diet of ice cream, hamburgers, chocolate and other high-calorie foods is making us seriously fat. But while some are getting fatter, there are others who seem to be immune to this new disease. Is it all about self-control and exercise? Or do we have a natural weight which our bodies strive to maintain despite our fluctuating levels of calorie intake and exercise? (From the UK) (Documentary) (Rpt) G CC
- 8:30 pm **The Island with Bear Grylls: Women's Island** - The women are desperately dehydrated and separated, after an expedition party crossed the island to find a permanent camp - and got hopelessly lost while returning to the others. With one group disorientated in the jungle, Abby, Fran and three others left behind in the temporary camp get hit by a torrential downpour. They let their fire go out and without any dry wood to relight it, they're now surviving on a dwindling water supply. Tensions build, and their mental and physical strength is tested to the limit. (S.2,Ep.2) (From the UK) (Documentary Series) M(L) CC **\*\*New Episode\*\***
- 9:30 pm **The Island with Bear Grylls: Men's Island** - Mild mannered paramedic, Barney Strange, comes to the rescue of the group by catching and feeding the men a tasty but unusual supper. But just five days in and the group has reached breaking point. The island has been battered by a series of torrential storms, and without a decent shelter the men have barely slept. They haven't had a decent meal since they arrived, and a bitter rivalry between the island's two builders, Paul and Andy, has turned into all-out war. (S.2,Ep.2) (From the UK) (Documentary Series) M(A,L) CC **\*\*New Episode\*\***

## Tuesday August 11th, 2015

- 3:30 pm **Tales of the Unexpected - *Secret Life of Breasts*** - New science is revealing breasts in a way that we've never seen them before. For years we've been seeking perfection: shape, size, and food source for our children. But now some scientists believe they may also be a hidden toxic waste ground. Putting breasts tissue - and breast milk - to the test, this documentary will investigate if these wonderful life-giving organs are under threat from the modern world and if they're actually an early warning system telling us about the dangers of the chemicals around us. (S.1,Ep.1) (Commissioned by SBS) (Documentary) (Rpt) PG(A) CC
- 4:30 pm **Wildest Arctic - *Arctic Ocean: The Frozen Sea*** - This four-part series follows a year in the High Arctic where life is exceptionally entwined with the seasons. As the polar winter ends, the Arctic slowly thaws out in an explosion of life. During this period, the 'ice whales' (Narwhal, Beluga and Bowhead) return to the Arctic to feed in the rich fishing waters, and millions of birds flock to breed on Greenland's cliffs. Meanwhile, as the sea ice disappears beneath their feet, polar bears are forced to return to land. (From the Netherlands, in English) (Documentary Series) (Part 1 of 4) (Rpt) PG CC

- 7:30 pm **Dan Snow: Birth of Empire: The East India Company** - Dan Snow travels through India chronicling the rise and fall of the East India Company. By 1800 the East India Company had grown from a tiny band of merchants into a colossal trading empire. But scandal and corruption in the 18th century had led to a curtailment of its powers by the British government. The state now controlled the company's affairs in India and, throughout the 19th century, would chip away at its remaining powers and trading privileges. Following the revolt of large numbers of disaffected Indian soldiers in 1857, British India passed into Queen Victoria's hands and the Raj was born. - 4:25 pm **Scotland: Rome's Final Frontier** - The incredible story of how Scotland became the Roman Empire's toughest military challenge. At the height of its power, Rome boasted the domination of millions of people and vast tracts of lands as far east as Syria, Egypt in the south, Spain in the west and the Germanic wildernesses in the north. In 43 AD Emperor Claudius' forces invaded and conquered Britain, but there was one small part of these barbarian lands that wasn't so easy to crush. Through some of Scotland's most extraordinary Roman sites and illuminating new archaeology, historian Dr Fraser Hunter shows how Scotland and its people defied an onslaught of Roman imperial power for over a century. (From the UK) (Documentary) (Rpt) G CC
- 5:30 pm **The Stuarts - Family at War** - Leading historian Dr Clare Jackson looks at the impact of the Stuarts, Britain's greatest and longest-ruling royal dynasty, who united Scotland, England and Ireland and presided over the creation of Great Britain. The final episode looks at the restoration of Charles I's son, King Charles II, who remoulded his divided kingdoms, his brother and successor James II, who lost them again in 1688, and the Glorious Revolution, which saw a Dutch invasion and James' forcible expulsion by his daughter Mary and son-in-law William of Orange.
