## Sunday August 16th, 2015

- 5:30 pm **Hitler's People - Total War** - Taking a look behind the scenes of the German Reich, this two-part series sheds light on the almost incredible loyalty and support Hitler commanded among the German public. The compelling narrative provides insights into everyday life from the beginning of his regime to the end. It's an intimate and revealing portrait of the German people under Hitler. (From Germany, in English and German) (Documentary Series) (Part 2 of 2) (Class tba) CC **\*\*Final\*\***
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:35 pm **Petra: Lost City of Stone** - Jordan is one of the driest countries in the world. Yet, over 2,000 years ago, a mysterious tribe constructed Petra, a thriving city with spectacular temple-tombs carved into rose-coloured cliffs. But as mysteriously as Petra emerged from the desert, it disappeared - lost to most of the world for over a thousand years. How did an ancient people construct buildings to rival Rome? How did they build a water system to supply a city in the middle of the desert? Who built Petra and why did it disappear? Equipped with remote sensors and digital imagery, archaeologists and engineers wade deep into the sands of time to unlock the ancient secrets of Petra. (From the US) (Documentary) G CC **\*\*Premiere\*\***
- 8:35 pm **Uranium: Twisting the Dragon's Tail - The Rock that Changed the World** - In Northern Australia the indigenous people have ancient stories for the place where the uranium is found. They say a great creation spirit sleeps underground, and disturbing this spirit will unleash disaster. Dr Derek Muller takes us on a remarkable journey to see how from the ashes of Hiroshima, uranium promised a new age. The same power that destroyed the city will be harnessed to generate limitless energy and treat cancer. We had tickled the nuclear dragon, woken the spirit beneath the Earth, and disaster was waiting. (From Australia) (Documentary Series) (Part 2 of 3) PG(A) CC **\*\*New Episode\*\***
- 9:35 pm **Sex and the West - From Pleasure to Sin** - In the first of a new three-part series, the eminent theological historian Professor Diarmaid MacCulloch explores how Christianity has shaped western attitudes to sex, gender and sexuality throughout history. Travelling from Israel to Greece, Italy and Ireland, he begins by showing how the early Christians transformed sex from a biological necessity into a vice, from a pleasure into a sin. Even though Jesus Christ said very little about sex, Christianity soon promoted celibacy as the Christian ideal, turned sex into something dangerous and made even marriage second-best. (From the UK) (Documentary Series) (Part 1 of 3) M(S,A) CC **\*\*New Series Premiere\*\***
- 10:40 pm **Fallout** - Following the atomic destruction of Hiroshima and Nagasaki, internationally acclaimed novelist Nevil Shute prophetically predicted the devastating impact of nuclear proliferation in one of the most important anti-war novels of the 20th century, *On The Beach*, in which he depicts the end of the world caused by nuclear war. This documentary explores Shute's career and novel, and its adaptation into the famous film shot in Melbourne by Hollywood director Stanley Kramer. The program investigates the ambience surrounding Shute's prophesy of 'man and machine out of control' as well as the mismanagement of nuclear energy and the importance of mankind being ever vigilant in the post Fukushima age. ## Sunday August 16th, 2015

- 12:20 am **Movie: White Night Wedding** - As middle-aged professor Jon prepares to tie the knot with a student half his age, events conspire against him. His future mother-in-law is vehemently opposed to the marriage, his first wife won't get off his back, and his best man is never sober for long. Jon begins to question whether love is enough. Winner of seven Icelandic Edda Awards in 2008, including Best Film. Directed by Baltasar Kormákur and stars Hilmir Snær Guðnason, Margrét Vilhjálmsdóttir and Laufey Elíasdóttir. (From Iceland, in Icelandic) (Comedy) (2008) (Rpt) M(N,S,L)
- 2:10 am **Movie: Black and White** - Racial integration is Elena's profession and passion, not only filling her working day as a cultural mediator assisting immigrants, but spilling over into her home life as well. All too often her husband Carlo must attend charity events where he feels distinctly out of place. During one of these evenings, Carlo meets Nadine, a beautiful black woman. Directed by Cristina Comencini and stars Fabio Volo, Ambra Angiolini and Aissa Maiga. (From Italy, in Italian) (Comedy) (2008) (Rpt) M(S,L)
- 4:00 am **Our Food - West of Scotland** - Food critic Giles Coren and the team head to the west of Scotland. This is a wild, remote landscape where food was once all about survival. Now Scottish food is prized the world over. Giles learns how the deep sea lochs of the west are perfect for salmon farming - now a billion dollar industry. James Wong discovers why the warm, wet climate of the west is so good for wild mushrooms, while Alys Fowler finds out about the role of the humble potato in the Highland clearances. (From the UK) (Food Series) (Final) (Rpt) PG CC

## Tuesday August 18th, 2015

- 3:30 pm **Tales of the Unexpected - *Secrets of the Hand*** - For thousands of years, in fairgrounds and temples, palm readers have claimed our hands encode valuable information. Is this just superstition? Or is there, buried beneath the theatre and the clichés, a core of genuine science? Can our hands really tell us anything about our past, our present or our future? Does the lifeline on your hand reveal the age at which you'll die? Can your hands detect your sexual preference? For the first time palm reading is put to the test to question the myths that have been passed on for generations. (Commissioned by SBS) (Documentary) (Rpt) PG(A) CC
- 4:30 pm **Wildest Arctic - *Taiga: The Frozen Forests*** - Containing one third of the world's trees, the frozen forests of the taiga truly are the 'lungs of the planet'. This great forest spans right around the globe: across North America, Scandinavia, and extending across Siberia to the shores of the Pacific, sheltering some of the Earth's most majestic animals. In the bitter cold of the forest, it is hard to believe that life can survive. But animals like the wolverine and lynx roam far and wide in search of food.
