New evidence suggests the tomb's stunning contents were meant for someone else. But who is more deserving of such opulence than Egypt's most famous king? Tutankhamun's legendary death mask is arguably the greatest treasure in history, found on the head of the king's mummified remains. Yet the mask betrays more than the king's wealth. Discrepancies between the mask and the head piece have led Egyptologist Nicholas Reeves at the University of Arizona to theorise that the mask wasn't intended for Tutakhamun, but remodelled for him. The presence of earring holes suggests it was originally intended for a woman. Now it's time to put this theory to the test.	UNITED KINGDOM	English-100	2017	RPT	PG		Y

2020-08-21	2640	History	<b>Soundtracks: Songs That Defined History</b>	Battle Of The Sexes	01	7	The famous tennis match between Billie Jean King and Bobby Riggs was a galvanising moment for the women's movement. Billie Jean's win was an affirmation to all the women who felt underestimated as simply mothers and housewives. The music of the 1960s and '70s, from Helen Reddy to Leslie Gore to Aretha Franklin was also a kind of subversive force in delivering to women messages of strength and empowerment. The sexual revolution ushered in more provocative music that gave women permission to let loose; Loretta Lynn's 'The Pill' was an outright ode to the wonders of contraception and how freeing it was. Feminism in music has taken many forms, just as the women's movement itself has waxed and waned over the decades. But from Pat Benatar to Salt-n-Pepa to Katy Perry, each generation of young women has found strength and solidarity in female artists who have literally given them a voice.
