2017-09-10	2040	History	Soundtracks: Songs That Defined History	New Series Premiere	September 11th	01	2	Explore the music tied to some of the most iconic moments in history - from the March on Washington to the riots at Stonewall, the moon landing to Hurricane Katrina - music has played an integral part in celebrating, criticising, and amplifying seismic events in collective history. September 11, 2001 forever lives in infamy for New Yorkers and all Americans. Billy Joel's 'New York State of Mind' and Sister Sledge's 'We Are Family' took on heightened new meaning of camaraderie. But the tragedy that united the country quickly divided it. Country music took centre stage as the politically charged music of the moment - with patriotism in the case of Brooks and Dunn, or in a pro-war message in the case of Toby Keith. When the Dixie Chicks found themselves caught in the crossfire after upsetting their fan base, it became clear that the wounds of 9/11 weren't quick to heal.	USA	English-100	2017		M		Y	
2017-09-10	2130	History	Soundtracks: Songs That Defined History	New Episode	Hurricane Katrina	01	4	Hurricane Katrina triggered the worst urban disaster in modern US history, threatening to wash away the birthplace of some of America's most influential music. The inadequate relief laid bare the deep racial and social divisions that had troubled New Orleans long before the storm. International artists such as U2, Kanye West, Green Day and Mary J Blige joined local musicians like the Dirty Dozen Brass Band in benefit concerts and musical collaborations to help the city get back on its feet and ensure that its rich traditions would survive. 2017-09-10	2425	Politics & Current Affairs	Confronting ISIS		Confronting Isis		0	Reporting from Saudi Arabia, Iraq, Jordan and Turkey, Frontline correspondent Martin Smith presses government and military officials to describe the conflict from their perspective and give their recommendations on how to move forward. Confronting ISIS examines the successes, failures and challenges of the US-led fight to degrade and destroy ISIS. No one wants to see ISIS succeed, but the lack of common priorities between the US and Middle Eastern allies has complicated the fighting process. This two-hour special investigates as ISIS loses ground in the region, but strikes out abroad.	USA	English-100	2016	RPT	M	a	Y	Y
2017-09-10	2630	Politics & Current Affairs	Obama At War		Obama At War		0	When President Barack Obama took office in 2008, he had campaigned on ending the war in Iraq and keeping the U.S. out of new military conflicts. But Obama now finds himself exactly where he didn't want to be: trying to defeat a brutal terrorist group in Iraq and Syria without dragging America into a prolonged regional conflict. How did we get here? In this program, veteran journalist Martin Smith examines the Obama administration's complicated struggle to deal with the deadly civil war in Syria, now in its fifth year - and explores how the accompanying rise of insurgents have raised the stakes. Drawing on interviews with key military and diplomatic leaders, the film is an intense look at the heated debates within the administration about when and how to get involved in Syria. 2017-09-10	2730	Biography	Obama: Eight Years Of Power		100 Days	01	1	Barack Obama came to office arousing more enthusiasm world-wide than any previous American president. He promised to close Guantanamo. Why is it still open? He ordered the operation to kill Osama bin Laden. What risks made him pause? In his speeches he promised to restore America's moral standing in the world. Why did he then authorise more extrajudicial executions by drone than George W. Bush? He succeeded in passing a national health care law. Why did the opponents of this reform bring the US to the edge of default in an effort to stop it?	UNITED KINGDOM	English-100	2016	RPT	M	l	Y	Y
