2017-10-22	2545	History	Inquisition		Tudor Heretics, The	01	3	England has a rich and bloody history when it comes to Religious Persecution. The religious persecutions started when Henry VIII split with Rome in 1534 and started his own 'Church of England' with the King being its head. Suddenly, Catholics were persona non grata and arrested in large numbers, suspected of being behind 'Papist Plots' to bring down King Henry. In a reversal of fortune, his daughter, Mary I was motivated by a religious zeal to purge this new heresy from her land, and during her short reign from 1553 to 1558 about 290 Protestants had been burned at the stake for heresy.
