2021-12-07	2100	History	Pearl Harbour	Premiere	Pearl Harbour		0	On December 7, 1941 at 7:53 A.M., a Japanese air squadron attacked the American fleet anchored in the waters of Pearl Harbour. The United States and its defensive strategy were struck right at the core. The attack was a major turning point. The very next day, the U.S. officially entered the war, ending their policy of isolationism and taking the conflict to a whole new and truly global level. How did Pearl Harbor change the face of WWII and, in turn, that of the world? Why did Roosevelt label it a 'day of infamy'? Was it really a victory for Japan? What was the diplomatic background of Pearl Harbor? Was the attack truly a surprise?	FRANCE	English-100	2021		M		Y
