2019-12-20	1500	Biography	<b>The Queen's Favourite Animals</b>		Queen's Favourite Animals, The	00	0	On the throne for over 65 years, the Queen has never veered from the script of the constitutional monarch. But to uncover the real woman behind the role, look to her abiding passion - for animals. In this film we tell the story of the Queen's life and character through her animals, from the corgis at her side from earliest childhood, to her thoroughbred racing horses. In her animal kingdom, the Queen is a high achiever who's got to the top on her own merits, winning prizes of all sorts. She's a highly respected breeder of corgis, and a champion breeder of racehorses, and even highland cattle, as this film uncovers. The film interviews childhood friend Lady Myra Butter, iconic jockeys Willie Carson and Willie Snaithe, who rode her champions to victory, and other trainers and handlers. This is a portrait of the Queen as the person she perhaps always wanted to be - a countrywoman.		UNITED KINGDOM	English-100	2018	RPT	G			Y
