2021-01-24	1730	History	KGB - The Sword And The Shield	New Series Premiere	Kgb - The Sword And The Shield Series 1 Ep 1	01	1	Set up as a 'temporary' measure by Lenin shortly after the revolution, the early years of the KGB soon became synonymous with mass executions during the Red Terror of the early 1920s, when over 100,000 people faced firing squads or other, less subtle, ends such as being rounded up and marched in chains onto boats which were then sunk. That was just the beginning. Millions more would die as internal dissent, real or imaginary, was crushed. Outside the Soviet Union, however, the secret services were busy infiltrating German High Command, British Intelligence and America's Manhattan Project, constructing the world's first atomic bomb. 2021-01-24	2130	Archaeology	<b>Scotland: Rome's Final Frontier</b>	Scotland: Rome's Final Frontier		0	The incredible story of how Scotland became the Roman Empire's toughest military challenge. At the height of its power, Rome boasted the domination of millions of people and vast tracts of lands as far east as Syria, Egypt in the south, Spain in the west and the Germanic wildernesses in the north. In 43AD Emperor Claudius' forces invaded and conquered Britain, but there was one small part of these barbarian lands that wasn't so easy to crush. Through some of Scotland's most extraordinary Roman sites and illuminating new archaeology, historian Dr Fraser Hunter shows how Scotland and its people defied an onslaught of Roman imperial power for over a century.
