- 1:00 pm **Strip The Cosmos - Alien Worlds** - This episode uses stunning CGI to strip apart alien moons and planets – peeling away impenetrable smoggy atmospheres, icy crusts, and lakes of methane – layer by layer - to identify the secret to life elsewhere in the universe. Astronomers now think almost every star has planets orbiting around it, creating billions of different environments in deep space. This episode dives to the deepest depths of our galaxy on the search of the places life could be hiding. Stunning CGI animation cracks open frozen moons blasting ice into space, reveals hidden oceans, and unveils the bizarre worlds where mountains are made of diamonds and volcanoes erupt with water. This program unlocks the secrets of the universe's most alien landscapes, and reveals just how close we are to discovering that we are not alone. (Final) (Ep.6) (From the UK) (Documentary) (Rpt) G CC

Sunday March 26th, 2017

- 10:15 pm **Lost City Of The Gladiators** - This is the first discovery of an entire gladiator school with an adjacent cemetery for dead fighters recently found in Austria. Located in the former Roman imperial residence of Carnuntum, only a small portion of the large area has been explored - an area that was located on the important trade routes that connected east and west, north and south. At the collapse of the Roman Empire, the city was abandoned and no settlements were established, allowing researchers to study the period as it was. The gladiator school may not be the only treasure to be found on the site of the lost city of Carnuntum - there may be many, many more. (From Germany) (Documentary) (Rpt) M(V) CC
- 11:15 pm **MOVIE:**
I Am Love - Over two decades ago, Emma left Russia to follow Tancredi Recchi, the man who had proposed to her. Now a member of a wealthy Milanese family, she is the respected mother of three. Although not unhappy, Emma feels confusedly unfulfilled. As cracks in the family façade appear, she is reawakened to the forces of passion and unconditional love. Directed by Luca Guadagnino and stars Tilda Swinton, Flavio Parenti and Edoardo Gabbriellini. (From Italy, in Italian) (Drama) (2009) (Rpt) MA (S) CC

Warriors of the Rainbow: Seediq Bale - Wei Te-sheng's epic film retells an episode of Taiwanese history not known to many. Between 1895 and 1945 Taiwan was a Japanese colony, but small groups of the original aboriginal tribes remained scattered around the island. In 1930 Mouna Rudo, the leader of the Seediq tribe, settled around Mount Chilai, forged a coalition with other Seediq tribal leaders and plotted a rebellion against their Japanese colonial masters. Their battle would be initially successful, but how could they match the Japanese military aircraft and poison gas? (From Japan, in Seediq & Japanese) (Movie) (Rpt) MA(A,V)
- 1:59 am **The President Vs The Pirates** - The world is watching closely as Somalia continues to raise fears of extremism and unending clan warfare. Years of civil war and crippling drought have torn this once-prosperous nation to shreds. Now pirates and terrorists are destroying what remains of civil society. But one man thinks he can make a difference. This film gains unprecedented access to Abdirahman Farole, a Somali-Australian former refugee who has returned to his native land to become the President of Puntland (the northern province of Somalia) with the sole mission to bring back peace and a working democracy to Somalia once and for all. (From Australia, in English and Somali) (Documentary) (Rpt) M(A) CC
- 2:00 am ****Daylight Savings Slot for Eastern States and SA****
Ebola - The Search For A Cure - The current Ebola epidemic in West Africa is the worst outbreak of the fatal disease in history, with the World Health Organization reporting more than 5,800 cases, including more than 3,000 deaths in the current outbreak. The Centers for Disease Control and Prevention also assumes that the actual number of cases is 2.5 times higher than what is officially known and have also predicted 1.4-million infections in those countries by January 20 if no action is taken to curb the epidemic in West Africa. In this documentary premiere, meet the scientists and doctors from all around the world looking for the cure and hear first-hand accounts of what it's actually like to catch - and survive - this terrible disease. (From the UK) (Documentary) (Rpt) M(A) CC
