He starts at the Great Temple of Abu Simbel, where colossal statues of Rameses II proclaim the Pharaoh's power. But he finds that there is more to Egyptian art than size as he encounters the art of the Egyptian workers. Some of it is free and rebellious and has influenced spired modern graffiti artists. Sooke also discovers that as Egypt declined, its art enjoyed flourished as it took on board foreign styles and looked to its glorious past for inspiration. (Part 3 of 3) (From the UK) (Documentary) G CC **\*\*Final\*\***
- 8:30 pm **Monty Python Live: One Down, Five To Go** - It has been the most anticipated production of 2014 - the Monty Python team's reunion on stage for the first time in over 30 years...and for the last time ever. Filmed in July on the final night of ten sold out performances at London's epic O2 arena, Monty Python Live (Mostly) - One Down and Five to Go is the influential comedy troupe's hilarious last stand. At a combined age of nearly 361, John Cleese, Terry Gilliam, Eric Idle, Terry Jones and Michael Palin take to the stage and perform some of Monty Python's classic sketches and much-loved songs. Monty Python Live (Mostly) - One Down, Five to Go brings all the silliness, absurdity, and iconic Brit humour that has cemented the Python's reputation as the most influential comedy group of all time and, more importantly, one of the funniest. - 6:00 pm **Gourmet Farmer - Pigs, Prosciutto and Offal** - Former SMH food editor Matthew Evans transforms from Australia's most feared critic to small landholder in Tasmania. Tonight, Matthew feels inspired to make prosciutto and sources two piglets from Jen, a local farmer and former vegetarian. It will be months until they are fully grown, so in the interim he buys a leg of pork from Jen for his own prosciutto. Matthew also learns a traditional way to prepare offal from a Serbian friend, and enjoys full Serbian hospitality, if not the offal itself! (Commissioned by SBS) (Food Series) (Rpt) G CC

- 7:30 pm **Wild Britain - October to December (Autumn)** - Wild Britain is an enchanting series that reveals why Britain's climate is so unique and why the country's relationship with its wildlife is so enduring and so special. In the final episode, the fading sun brings an energy change to Britain and powerful storms batter the shores. The trees go dormant, but not before a final burst of colour. For animals, the shortening days are a cue to act: sika deer battle for supremacy while dormice curl up for a winter snooze. Seals risk life or death in the stormy seas, while on land there are some who thrive like earthworms, fungi and mysterious slime moulds. Dark December allows the first snow to fall and the country transforms into a winter wonderland. (Part 4 of 4) (From the UK) (Documentary) G CC **\*\*Final\*\***
- 8:30 pm **Living With The Enemy - Marijuana** - Michael is Australia's public advocate #1 for smoking Marijuana. Kerryn is a former junkie who is now a drug educator and a woman who believes marijuana is the gateway to a lifetime of potential addiction and ruin. Michael introduces her to maverick marijuana growers, to people who smoke it recreationally and epileptics who use it medicinally. Kerryn introduces him to doctors who have proved its negative effect on the brain and parents who have lost children and family members to the drug. Will they find a greater understanding of one another after ten days - or remain enemies? (Part 5 of 6) (Commissioned by SBS) (Documentary) M(L) CC **\*\*New Episode\*\***

In this week's show our host Lee Mack is joined by Ruth Jones, Mel C, and Dara O Briain, who bring with them an incredible fact each. The point of the show is simple: Who has the best fact? They all believe that their fact is absolutely true and they'll all argue passionately for why it should win. The winner of the show is ultimately the person who has the best true fact. - 1:00 am **How To Be More Creative** - Creativity defines the human species, it underpins our favourite technology, lies behind our music and arts and has allowed us to journey beyond our own planet. For a long time, it was seen as a gift of the gods, something beyond scientific explanation. This film finds out what really happens in your brain before you have a great idea, discovers how day-dreaming can help you become a creative genius and explores the link between obsession and great ideas.
