2020-09-02	2520	Politics & Current Affairs	<b>Ghosts Of Aleppo</b>		Ghosts Of Aleppo	00	0	Aleppo is Syria's largest metropolitan area and a millennia-old commercial capital. Today, however, it is a relative ghost town, threatened by regime bombing from the air and a militant offensive on the ground. For two weeks over the summer, VICE News embeds with the Islamic Front, a coalition of Islamist rebels fighting the forces of President Bashar al-Assad on one hand, and Islamic State militants on the other. From their secret tunnels beneath the ancient city to their threatened frontline outposts in Aleppo's ruined medieval centre, VICE NEWS followed the Islamic Front as, against overwhelming odds, they battled to retain control of the capital of the Syrian revolution. 2020-09-03	1205	Culture & Society	<b>Wilderness Of Tohoku</b>		Meet The Japanese Chef Who Serves Dumplings From The Sky	02	2	As we travel further through Japan's north, we start to learn that each prefecture has its own distinct personality and flavours. Beginning in Matsuoka, our host Julian takes a traditional boat ride through a meandering river in Geibiki Gorge, Iwate Prefecture that leads to a mysterious good luck ritual. From there, we find head further into Genbikei - a small town filled with lush trees and a mountainous landscape. There we find a master dumpling chef who serves his food via a system of ropes and pulleys suspended in the sky, who kindly lets us try our hand at serving his customers. Finally, we head to Hachinohe in Aomori Prefecture with its long rocky coastlines. We meet a Shinto priest who shows us around a shrine before experiencing the nightlife (and copious sake) of Hachinohe Tokocho, where some locals challenge Julian to a Japanese drinking game.
