Lucky then that we have Mitch McTaggart to once again remind us of the year that was in the one-off special The Last Year of Television 2021. As we head into 2022, let's look through the rear-view at 2021... the year that followed 2020... or were they both just one big year? From January to December - the good, the bad and the cringe, this delightfully cynical romp through everything that happened on Australian television will make you think twice and will have you laughing out loud. Nothing is off limits in this sharp year-in-review. Say farewell to 2021 in style. If it happened on Australian television this year, you'll see it here.	AUSTRALIA	English-100	2021	RPT	MA
