2021-07-08	2405	Sexuality	Do Communists Have Better Sex?		Do Communists Have Better Sex	00	0	Sex, studies have shown, was better for women in East Germany than in West Germany. They had sex more often and more frequently had orgasms. Why? This film tries to find reasons. During the Second World War women in both the eastern and western parts of Germany took on the work of their absent menfolk. At the end of the war the returning soldiers claimed back their old jobs and most women were forced to return to domestic life. As the majority of the men, however, chose to settle in the West, there was a shortage of workers in the East, and the women there stayed in the workforce.	GERMANY	German-100	2006	RPT	MA	a n s	Y
