What happened over the next three days, however, was far more than a concert. It would become a legendary event - one that would define a generation and mark the end of one of the most turbulent decades in modern history. Woodstock took place against a backdrop of a nation in conflict over sexual politics, civil rights, and the Vietnam War. | USA       | English-100 | 2018 | RPT  | M  | a d   | Y | Y | Y |  |
