The government have attempted to force them out of town centres with CCTV, the cops spend their nights hunting them in unmarked cars and ASBOs have resulted in countless cherished Fiat Puntos and SR Novas being seized. Understandably, this has driven boy racers to abandon the bright lights for the industrial areas, country lanes and car parks where they can blare happy hardcore, jungle and bassline and pull off handbrake turns to their hearts' content, or at least until the police show up.                       | UNITED KINGDOM | English-100   | 2017 | RPT | MA | a l s |   | Y |

From 1994 until 2015, the Vatican was alerted by internal confidential reports about churchmen that regularly rape nuns in more than 23 countries. These reports have been hushed up and the rapists continue to harm freely. With the complicity of the ecclesiastical courts, their victims have been reduced to silence, sometimes pushed to abort, often excluded from their community. For the first time, the victim nuns, their superior mothers, priests, and rapists break the silence to testify to these systemic sexual abuses. | FRANCE         | English-40; French-40; Italian-18; Flemish-1; German-1 | 2018 |      |    | Y   |
