Trump's 'America First' mantra resonated with working class voters, but has been met with substantial criticism both at home and abroad. One year into the new administration, Vice News looks at the contributing factors that led up to the election of Donald Trump and analyses how his presidency has affected the people that voted for him. 2018-04-22	2130	Culture & Society	Boy Racer		Boy Racer	0		Since the trend of teenagers modifying their affordable cars with go-faster stripes, neon under-lights and dump valves really took off in the 90s, the media and public have been wary of boy racers. The government have attempted to force them out of town centres with CCTV, the cops spend their nights hunting them in unmarked cars and ASBOs have resulted in countless cherished Fiat Puntos and SR Novas being seized. Understandably, this has driven boy racers to abandon the bright lights for the industrial areas, country lanes and car parks where they can blare happy hardcore, jungle and bassline and pull off handbrake turns to their hearts' content, or at least until the police show up.
