Jamali spends time with members in the midst of their deadly conflict with pro Russian separatists, during the week when Azov launch a recognised political party. He's taken on training missions, street marches, military activities, and delves into Azov's grass roots recruiting strategy - from the world of football hooliganism. Through all this Jamali attempts to gain insight into Ukraine's swastika-adorned national heroes and work on his own knife-throwing skills.	UNITED KINGDOM	English-100	2016	RPT	M	I		Y

But Germany has also succeeded in securing a leading position in Europe by means of a very special service: prostitution. For the very first time, this documentary lifts the lid on how sex tourists from all corners of the globe come to Germany to enjoy a brothel holiday, with punters from Europe, the USA and Asia. The price-performance ratio is internationally as good as unrivalled. For six days and nights, the brothel holidaymakers make their way from one amusement institution to the next. At the top of the itinerary are the so-called flat rate 'whorehouses', where one payment secures as much unlimited sex and drinks as one wants.
