AUSTRALIA	English-100	2008	RPT	PG			Y
2022-02-20	1920	Health, Science & Technology	Pluto: Back From The Dead		Pluto - Back From The Dead		0	In 2015, a tiny spacecraft called New Horizon's arrived at the very edge of the Solar System and took the first ever close up images of the Dwarf Planet Pluto. The data it sent back left the scientific world speechless. Once thought to be geologically dead, the images from 'New Horizons' have revealed Pluto to be an active world of stunning complexity. The pictures contained a bewildering array of unexpected features. There were mountains carved from ice, a nitrogen glacier that appeared to be moving and a recently active volcano. This programme tells the incredible story by meeting the team responsible, and by exploring the close-up imagery of Pluto's mysterious surface in extraordinary detail. 2022-02-26	1200	Culture & Society	Date My Race	Date My Race	0	Date My Race explores the role race plays in finding love, and reveals Australia's surprising patterns when it comes to online dating and racial preferences. It's a personal theme for 30-year-old African-Australian journalist and host Santilla Chingaibe, who is on the hunt for love. With a smorgasboard of potential mates a swipe away, she is having little luck with online dating, and wonders if it is the colour of her skin that is sabotaging her chances. This playful and surprising look at modern dating will challenge Australians to think about what drives their own romantic attraction and connection, asking the question: when looking for love, does having racial preferences amount to racism?
