- 5:00 pm **World Of Cycling 2015** - All the latest cycling news and highlights from across the world. Hosted by Mike Tomalaris. (Cycling) CC
- 5:30 pm **The Somme: Secret Tunnel Wars** - Beneath the Somme battlefield lies one of the great secrets of the First World War, a recently-discovered network of deep tunnels thought to extend over several kilometres. This lost underground battlefield, centred on the small French village of La Boisselle in Picardy, was constructed largely by British troops between 1914 and 1916. Over 120 men died here in ongoing attempts to undermine the nearby German lines and these galleries still serve as a tomb for many of those men. This documentary follows historian Peter Barton and a team of archaeologists as they become the first people in nearly a hundred years to enter this hidden, and still dangerous, labyrinth. (From the UK) (Documentary) PG CC **\*\*Premiere\*\***
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:35 pm **Rome: The World's First Superpower - Death Of A Hero** - During the mid-second century BC, Rome was enjoying the spoils of war, with slaves, treasure and art pouring into the republic. However, not everyone was reaping the benefit and as the gap widened between the poor and the privileged, resentment was mounting. Larry traces the journey of Tiberius Gracchus, a man from Rome's elite ruling classes who eventually came to champion the cause of the common citizen farmer. Along the way, Larry literally dives into the world of the rich by snorkelling through the submerged ruins at Baiae. On the seabed he sees for himself how farmed oysters led to the development of the hypocaust, Rome's famous central heating system. (Part 3 of 4) (From the UK) (Documentary) PG CC **\*\*New Episode\*\***
- 8:30 pm **Jesus: Rise To Power - Christians** - In less than four centuries, Christianity evolves from the crucifixion of Jesus into a religious and political force, permanently woven into the fabric of the Roman Empire. (Part 3 of 3) (From the UK) (Documentary) M(A,V) CC **\*\*Final\*\***
- 9:30 pm **Dateline Presents: Putin's Way** - Dateline's Brett Mason presents this special documentary which investigates the accusations of criminality and corruption that have surrounded Vladimir Putin's reign in Russia. Tracing his career back over two decades, Putin's Way reveals how the accumulation of wealth and power has led to autocratic rule and the spectre of a new Cold War. (From the US) (Documentary) PG CC **\*\*Premiere Special\*\***

## Tuesday April 21st, 2015

- 3:30 pm **Wonders Of The Clockwork World** - For hundreds of years humans have toiled to build devices that could mimic the physical and mental abilities of biological life. This documentary tells the story of this obsession, and reveals how it has produced some of the world's most extraordinary, unusual and beautiful objects. Professor Simon Schaffer will journey through time, exploring the bizarre and untold history of androids and automata. It's a tale full of mystery, intrigue, deceit and deception. A tale of eccentric artisans and visionaries and the unwitting impact their creations would have on the world. It's about the meeting of art, science and history. (From the UK) (Documentary) (Rpt) G CC
- 4:30 pm **Expedition Wolf** - Once shot to the brink of extinction wild wolves are now returning to the United States with a vengeance. They are crossing the Canadian border and tension is mounting. A team of biologists track down these top predators to find if there is something special about these wolves that are helping them survive. It's a difficult mission in an unforgiving mountain landscape and the team must struggle through snow covered forests, along ancient paths and through long forgotten valleys.
