- 5:30 pm **Spying On Hitler's Army** - This powerful docu-drama tells the story of one of World War II's last secrets - an audacious British intelligence operation to listen in on the private conversations of 10,000 German POWs without their ever knowing they were being overheard. The prisoners' unguarded reminiscences and unintentional confessions have only just come to light, but prove once and for all just how closely the German army were involved in the atrocities of the Holocaust. In this programme, they're dramatized – word for word - from the original transcripts. (From the UK) (Documentary) M(A) CC
****Premiere****
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:35 pm **China's Great Wall** - The Great Wall of China is one of humankind's most magnificent achievements, with its story reaching back beyond historical times. The wall extends across peaks and valleys, torrential rivers and vast steppes. It is more than merely a defence, it is a symbol of a division between cultures, and it is key to our understanding of Chinese history and civilisation. (From Germany, in English and Mandarin) (Documentary Series) (Part 2 of 2) (Rpt) PG CC
- 8:30 pm **She Wolves: England's Early Queens - Isabella and Margaret** - In the medieval and Tudor world there was no question in peoples' minds about the order of God's creation - men ruled and women didn't. In this series, historian Helen Castor explores seven queens who challenged male power, the fierce reactions they provoked, and whether the term 'she wolves' was deserved. In this episode, Castor looks at the lives of Isabella of France and Margaret of Anjou and how both women were thrust into a violent and dysfunctional England. (From the UK) (Documentary Series) (Part 2 of 3) (Rpt) PG CC
- 9:35 pm **Sex, Death And The Meaning Of Life - Life After Death** - Evolutionary biologist Richard Dawkins asks if science can provide answers to the big questions we used to entrust to religion. In this episode, Richard explores what science can tell us about death. It's a journey that takes him from Hindu funeral pyres in India to genetics labs in New York. Dawkins brings together the latest theories in neuroscience and genetics to examine why we crave life after death, why we evolved to age, and how the human genome is something like real immortality. (From the UK, in English and French) (Documentary Series) (Part 1 of 3) (Rpt) M (A) CC

Sunday May 10th, 2015

- 10:30 pm **Grand Tours Of Scotland - A New Island Life** - This episode, Paul visits two Hebridean islands which are very different; Gigha and Jura. Where Gigha is lush and verdant, Jura is rugged and bleak but Paul discovers that both islands have their own unique character and charm. Paul visits the world famous Achamore gardens on Gigha, and braves the perils of the notorious Corryreckan whirlpool before ending his journey at the summit of the Paps of Jura. (Ep.3) (From the UK) (Documentary) G CC ****New Episode****
- 11:05 pm **Giro D'Italia - Stage 2: Albenga to Genoa** - Watch every stage of the first of the 2015 cycling season's Grand Tours as the Giro d'Italia comes LIVE to SBS ONE. The 98th edition of the tour of Italy covers 3,489 kilometres over 21 thrilling stages of racing through the picturesque Italian terrain to the finish line in Milan. For the first time in Grand Tour history, the Giro d'Italia includes a spectacular Team Time Trial along a cycling path for Stage 1 on the Italian Riviera from San Lorenzo al Mare to Sanremo. 22 teams of nine riders start the 2015 Giro d'Italia, among them an elite contingent of Aussies in action. SBS's coverage will be hosted by award-winning cycling journalist Michael Tomalaris with former professional cyclist Henk Vogels. Commentary will be provided by Matt Keenan and former Giro d'Italia stage winner David McKenzie. (Cycling) CC ****Live all markets excluding WA****
- 1:30 am **Movie: The Sinking Of Japan** - A state of panic ensues when it is discovered that, after a major earthquake, Japan will be completely submerged in a year. Amongst the chaos, a love story develops between Onodera, a submarine pilot evacuating the country, and Reiko, a young woman who stays to help with the rescue efforts. Nominated for Best Visual Effects award at the 2007 Asian Film Awards. Directed by Shinji Higuchi and stars Tsuyoshi Kusanagi, Kou Shibasaki and Etsushi Toyokawa. (From Japan, in Japanese) (Drama) (2006) (Rpt) M (A)
- 3:55 am **Order And Disorder – The Series of Energy** - From the team that brought you Everything & Nothing comes Order & Disorder - another mind-melting trip through philosophy, physics, technology and the history of science. Order & Disorder tells the story of the most fundamental laws humans have ever uncovered - the rules which govern the movement and transformation of energy throughout the universe. Understanding them has given us the modern engine, revealed why time moves forward and helped build a global communications network. (Part 1 of 2) (From the UK) (Documentary) (Rpt) PG CC
