- 4:30 pm **Massive Moves - Titanic Townhouse** - Teams of engineers and truckers face some daunting challenges as they transport monstrous structures that were never meant to leave their foundations. Pam and Ron Kupidy love their neighbourhood but are not so keen on their own house – they need more space. The couple finds the answer to their problems in the shape of a 97 ton, two-storey local landmark, an empty home earmarked for relocation. They call in experienced house hauler Dwayne McCann and his team of movers to take this towering structure. But will it survive the neighbourhood's steep slopes and narrow twisting streets? (From the UK) (Documentary) (Rpt) G CC
- 5:00 pm **Climbing Great Buildings - Glasgow School of Art** - The next step of Jonathan Foyle's journey takes him to the Glasgow School of Art. Designed by artist Charles Rennie Macintosh around 1897, it's one of Britain's most controversial, challenging and celebrated buildings. With unprecedented access, Jonathan scales the school to reveal the myriad of influences. (From the UK) (Documentary Series) (Rpt) G CC
- 5:30 pm **Dakar Rally 2015 Daily Highlights** - Highlights from this year's off-road endurance race which will see drivers compete throughout through Argentina, Bolivia and Chile over 14 days. For the sixth time in its history, the Dakar will offer its competitors a loop-shaped course. The drivers and teams will have to cover more than 9,000 kilometres to return to Buenos Aires having set off from there, including around 4,500 kilometres of special stages where they will have to distinguish themselves. (Motorsport) CC
- 6:00 pm **Grand Tours of the Scottish Islands - Fair Isle To Foula: "So Far, So Good"** - In the first episode of Grand Tours of the Scottish Islands, Paul Murton sets out to visit the myriad of islands that hug our coastline. He heads straight for Britain's two remotest island communities, Foula and Fair Isle in Shetland. Paul makes a nerve wracking visit to "Da Sneck o' da Smallie" – a ravine in the cliffs of Foula which leads through to the island's Atlantic shore. On Fair Isle, Paul attempts to spot rare birds before meeting some of the knitters behind the beautiful patterns which have made Fair Isle world famous. (From the UK) (Documentary) (Rpt) G CC

- 8:30 pm **The Great Australian Race Riot - *The Mob*** - Peter FitzSimons discovers that the Anzac heroes of the Great War are Australia's most enthusiastic race rioters - but also capable of reconciliation with their enemies. After WW1 ends, thousands of returned soldiers return home eager to get on with their lives. But home has changed, and so have they. The horrors of trench warfare coupled with a vehement distrust of communism explode in Brisbane in March 1919 into a week of mob violence. (Part 2 of 3) (Commissioned by SBS) (Documentary) M(A,V) CC **\*\*New Episode\*\***
- 9:35 pm **The 10 Million Pound Challenge** - This documentary invites the public to play a role in tackling the greatest challenges facing science today. This special documentary will launch the 10 million pound Longitude Prize 2014 - a prize fund developed by Nesta (the UK's innovation foundation) to find solutions to a new scientific challenge. The program explores six potential challenges nominated by a new Longitude Committee, and launches a vote to determine which should be put forward as the new Longitude Prize. The question is 'if you had 10 million pound to make one change to the world, what would you do?' Hosted by Professor Alice Roberts from the Royal Observatory at Greenwich, also featuring Michael Mosley, Liz Bonnin, Prof Iain Stewart and more, who examine each of the six nominated challenges in detail. (From the UK) (Documentary) PG CC **\*\*Premiere\*\***

- 8:30 pm **Cold War, Hot Jets - Darker Skies** - As the Iron Curtain fell across Europe, the jet plane came to epitomise how the Cold War was fought. Britain's V bombers, armed with devastating new weapons, were able to fly faster, higher and further. The V Bomber became the platform for delivering nuclear annihilation. Programme two tells the story of how these planes came to define Britain's military planning and we reveal the bleak role the RAF pilots would have to play in the event of Nuclear War. But with the advent of surface to air missiles as nuclear delivery systems and satellites to provide detailed intelligence the role of jet aircraft in the Cold War diminished. As a technology however its importance continues to impact on life to this day with the growth of international jet air travel. (Part 2 of 2) (From the UK) (Documentary) G CC **\*\*Final\*\***
