## Saturday August 1st, 2015

- 2:00 pm **The Fabric of the Cosmos - *Universe or Multiverse*** - In this series, renowned physicist Brian Greene reveals a mind-boggling reality beneath the surface of our everyday world. Brian is going to let you in on a secret: We've all been deceived. Our perceptions of time and space have led us astray. Much of what we thought we knew about our universe - that the past has already happened and the future is yet to be, that space is just an empty void, that our universe is the only universe that exists - just might be wrong. (From the US) (Documentary Series) (Rpt) G CC (Final)
- 3:00 pm **The World of Jenks - *Me and My Surfboard*** - Andrew Jenks sets out to discover what it's like to be part of the competitive surfing world. He meets Anastasia, a surfer first and model second. He spends a week with her as she prepares to compete in one of the biggest competitions of the year: the U.S. Open. As a model, Anastasia has to fight for respect with the other surfers and every time on the water is a make or break opportunity to prove that she deserves to be there. As Andrew discovers, this sport is a lot more intense than catching waves and hanging on the beach. (From the US) (Documentary Series) (Rpt) PG
- 3:30 pm **The World of Jenks - *Hail Mary*** - Eager to learn more about the cheerleading world, Andrew moves in with Jessi, an NFL cheerleader for the Tennessee Titans. A very accomplished dancer, Jessi is not the typical cheerleader. She recently gave up a blossoming career in LA and moved to Nashville to live a more righteous life. While she has to keep the look (blonde, tan, and trim) she doesn't subscribe to a superficial lifestyle. In her spare time, she uses her cheerleader status to volunteer over 200 hours a year. Jessi provides an insight of what it takes to keep up with the demands on her body and the negative attention that can often come with the uniform. (From the US) (Documentary Series) (Rpt) PG
- 4:00 pm **Monster Moves - *Massive Machines*** - Every day, more than three million people pile onto the biggest metro network in the world, the London Underground, so it is not surprising that it sometimes requires attention.
