- 5:30 pm **Air Aces - Red Tails** - They were young, gifted, and black but the US Army refused them key positions. Until intense pressure from African-American activist groups pushed President Roosevelt to initiate a Blacks-only fighter pilot training program in Tuskegee, Alabama. What began as a revolutionary experiment gave birth to a potent fighting force that would help take Nazi Germany out of the skies and, in the process, change the course of American history. (From the US) (Documentary) PG CC ****New Episode****
- 6:30 pm **SBS World News** - Up-to-date reports and analysis of the major national and international news stories of the day in Australia's only world news service. (An SBS Production) CC
- 7:30 pm **Greeks, Romans, Vikings - Romans: The Founders Of Europe** - The Romans created one of the greatest empires in history, built with the help of an incredible army of professional legionnaires and a well-oiled political machinery. At its height, a few hundred men ruled over a fifth of mankind and an area stretching from Britain to Syria and from Gibraltar to the Euphrates. They undertook some of the most ambitious building-projects of their time: endless roads, gigantic bridges and imposing aqueducts formed a complex infrastructure and left a lasting legacy. This documentary is a revelatory and unique journey into the world of ancient Rome. (Part 2 of 3) (From Germany, in German & Italian) (Documentary) PG CC ****New Episode****
- 8:30 pm **Easter Island: Mysteries Of A Lost World** - The Easter Island civilisation which came and went has become an example of "ecocide" – its demise a parable for our own globally warmed era. But Dr Jago Cooper believes this is a disastrous mis-reading of what happened on Easter Island. He believes new archaeological evidence shows the civilisation which flourished here was ingenious, advanced, and expertly attuned to its difficult environment. He believes the demise of Easter Island's civilisation is more complicated than the popular narrative of ecological collapse suggests. In this documentary, Dr Cooper presents a new history of one of the world's most enigmatic, and controversial civilisations, from birth to death. (From the UK) (Documentary) (Rpt) PG CC

- 11:05 pm **Dogging Tales** - Why do some men and women feel the need to go out and have sex with strangers in public areas under the cover of darkness? Forever associated with remote car parks and lay-bys, 'dogging' is a British euphemism for engaging in a sex act while others watch. Those involved might meet randomly or arrange it beforehand, often via the Internet. This compelling film features stories told by real life doggers. What attracts them to this combination of voyeurism and exhibitionism? Shedding light on the physical and psychological motivations, and discovering that many doggers are simply in search of a connection with others, the result is a surprisingly beautiful and original portrait of animalistic activity. - 2:20 pm **Marlon Brando: An Actor Named Desire** - Marlon Brando excited our imagination and generated more clichés than any other star with his aura; powerful performances, extravagant beauty, rebel attitude, and a career path that had never been seen before in the history of cinema. He not only revolutionised the profession with a new way of acting, in just a few epic roles he also became an icon and a real inspiration for an entire generation of youth. But there was another person hidden behind the Hollywood image: a private, secret Brando. Away from the spotlights, his life was a dark novel, a never-ending road leading to increasing neurosis and self-destruction. (From France, in English) (Documentary) (Rpt) PG(V) CC
