ONE BRINGS NON STOP INDIAN PREMIER LEAGUE ACTION TO FREE-TO-AIR

Indian Premier League fans will be glued to their televisions from mid-April as Network Ten's new sport channel ONE brings non-stop cricket action to Australia.

With the IPL moving to South Africa after security concerns meant it could not be held in India this year, the tournament has been reduced to four weeks providing viewers with 24 double headers.

On the night's where two games are to be played ONE's coverage will begin around 8.30pm and finish in the early hours of the morning allowing more viewers to see the world's most exciting Twenty 20 competition.
